Davisson Grain Bin & Handling Equipment

THURSDAY, MAY 23, 2019 - HORSE RACE CLOSING BEGINS AT 6PM EST

AUCTIONEERS NOTE: The Davisson family has built a new grain facility and is no longer using these two facilities. This is a great opportunity to add storage, handling and drying equipment in time for use this fall. Be sure to inspect the equipment on the inspection day and bid online with the horse race closing starting at 6pm.

REMOVAL DATES: The grain legs and air transfer system will need to be removed between June 1st and June 30th. The grain bins and dryers will need to be removed between July 1st to Aug 31st. The electrical panels, phase converters, and separate augers will need to be removed between June 1st and Aug 31st. Buyer is responsible for all removal costs and will sign a buyers removal form before allowing to do any removal. Any items not removed by Aug 31st will revert back to the seller.

TERMS & CONDITIONS: Payment is due by 11am the morning following the auction by electronic funds. All items sold "AS IS". Not responsible for accidents. Announcement made day of the auction take precedence over printed material or any other oral statements made.
